A self-taught **front-end web developer** with the goal of becoming a full-stack engineer. I can learn and work independently, as evidenced by my dissertation. I can also work in collaborative environments. In fact, the entirety of my work experience illustrates my ability to collaborate, listen, and clearly communicate ideas to others. I am friendly, outgoing, and excited by the possibility of working on a team as a junior web developer.

## SKILLS

---

- **Front-end:** HTML, CSS, JavaScript, JSON, jQuery, Bootstrap, Sass, TailwindCSS, React, Vite, Jest, Figma
- **Back-end:** Node.js
- Excellent verbal and written communication skills.
- Great organizational and problem-solving skills.
- Energetic with a strong work ethic.
- Ability to learn and adapt quickly.

## CERTIFICATION

---

Meta Front-End Web Developer Certificate

January 2024

- This certificate was the result of a 9-course series on front-end web development. The courses gradually progressed in difficulty as they moved through topics like HTML, CSS, JavaScript, version control, UX/UI, React, and Advanced React techniques. The culmination of the series was a capstone project that involved creating a React app using Fetch API and unit testing.
- For certificate verification: [Coursera](#).

## PROJECTS

---

[Sweet and Savory Restaurant](#)

Fall 2023 - Present

- Designed my first project using Vite React with plans to include an ecommerce feature. The main objective of the project was to showcase my design and programming skills. I created the brand and design in Figma and implemented form validation and micro-interactions. I also used component-based programming to build the menu and will soon build an order online page.

## EXPERIENCE

---

University of Denver | *Adjunct Faculty*

January 2023 - June 2023

- Designed curriculum and tailored courses to include lecturing and group-based activities to maximize student performance and engagement.

- Implemented mid-course feedback which gave students the opportunity to evaluate the course and discuss special topics of interest. Adapted lectures and assignments in response to feedback.

Educational Testing Service (ETS) | *AP Reader*

2022 - June 2023

- Evaluated AP European History and Individual Written Statement exams using the ETS web platform.

University of Colorado at Boulder | *Instructor, Teaching Assistant*

2012 – 2022

- Taught introductory History courses to small (30 and under) and large (over 100) groups of students.
- Worked extensively with students on academic writing and success.
- Attended numerous professional development workshops on new and relevant educational programs, techniques to engage students, how to manage classrooms, and how to create an inclusive learning environment.

Barnes & Noble Booksellers | *Senior Bookseller*

2004 - 2022

- Supervised and managed specialty departments within the store.
- Developed and maintained strong relationships with customers and co-workers.
- Aided co-workers in learning the policies and standards of the company, as well as work efficiency.
- Acquired proficiency in conflict resolution.

University of Colorado at Boulder | *Co-editor, The Origins of European History*

Fall 2020

- Edited and published a European history textbook designed for introductory classes.
- Awarded CU OER (Open Educational Resources) Champion for the project and for saving students \$16,000 in textbook costs.

University of Colorado at Boulder | *National Language Processing for Digital Humanities*

Summer 2020

- Tested the functionality of a large historical database designed for research scholars from all fields.
- Collaborated with other History graduate students to conduct research and write a report on NLPDH.

History Graduate Student Association | *Co-founder, President, Secretary*

2013 - 2015

- Liaised with university organizations, faculty, and staff.
- Pioneered an ongoing Speaker series with an audience of 100+ for the greater community.
- Sourced and secured talented individuals through effective recruitment and negotiation.
- Directed and coordinated workshops, colloquiums, and seminars to improve students' skillsets.
- Managed and negotiated the association's finances and successfully petitioned for group funding.

## EDUCATION

---

History, Doctor of Philosophy

2012 - 2022

University of Colorado, Boulder, CO

Bachelor's Degrees in History and Humanities, *summa cum laude*

2012

University of Colorado, Boulder, CO
